Sub: Letter of Admission Completion to the Undergraduate Foundation Level of B. Tech in Computer Science and Engineering from IIT Madras

Dear AAYUSH KUMAR

Greetings from IIT Madras!

This is to certify that Mr. Aayush Kumar, son of Mr. Anuj Kumar Anuj, resident of Bhagalpur, Bihar, has successfully completed the admission verification and documentation formalities for the Bachelor of Technology (B.Tech) Programme at the Indian Institute of Technology Madras for the Academic Year 2025–2026.

The verification of the candidate's submitted academic credentials and identity documents was conducted on 10 March 2026 at the designated facilitation centre located at Nalanda Open University, Bargaon, Nalanda – 803111, Bihar, by the authorized representatives of the Indian Institute of Technology Madras.

Upon satisfactory verification of the required records and documents, the candidate's admission documentation process has been formally completed and entered into the institutional records of the Institute.

The completion of the above procedures shall be treated as the official confirmation of admission documentation under the authority of the Indian Institute of Technology Madras.

Wish you all the best,

Dr. (Prof.) Prathap Haridoss
